**World's Greatest Medical Practice Welcomes New Medical Staff Members**

*New medical staff members will help to better serve patient needs by streamlining operations*

**BUFFALO, NY NOVEMBER 9, 20XX** - World's Greatest Medical practice, a leader in patient care, has announced the following new hires and appointments at their Buffalo, NY area clinics.

Bob Boberson has been promoted to Clinical Documentation Specialist to collaborate with physicians, nursing staff, and medical records coding staff to improve quality and completeness of the care provided and coded.

Tim Timothy has added to the World's Greatest Medical Practice staff as the Medical Technologist. In his new position, Timothy will be responsible for performing laboratory tests according to established protocols, operating laboratory instrumentation, performing laboratory tests, and troubleshooting instrumentation.

Barb Barbara-Ann has been hired as Medical Staff Coordinator to maintain ER Call Schedules, process medical staff dues, prepare, distribute and record Medical Staff ballots, maintain physician mailboxes; prepare and distribute notices to physicians and departments.

"I'm excited to welcome these new team members to our medical staff," said Dr. Awesome, Director of the World's Greatest Medical Practice. "They provides a great blend of education and knowledge with a strong passion for providing the best patient care."
